Purpose

The purpose of this document is to provide the Wood Memorial High School student and parent with the plan to meet state mandated guidelines around Bullying Education. Indiana Code 20-30-5-5.5 stipulates that a school provide student instruction focused on Bullying Prevention, by no later than October 15, 2016.

Wood Memorial High School will conduct this educational training on Thursday, September 1, 2016 and Friday, September 2, 2016 for students in grades 9 - 12.

The schedule is as follows:

Thursday, September 1, 2016
Freshmen - 8:15 a.m.
Sophomores - 12:31 p.m.

Friday, September 2, 2016
Juniors - 8:15 a.m.
Seniors - 12:31 p.m.

Note: Student lunch schedules have been modified on both days to ensure everyone has an opportunity for their 30 minute meal time.

I want to take this opportunity to thank our Student Advisory Council, as well as Ms. Norvell, for their diligent and focused efforts in creating what I am sure will be a powerful program for the Trojan Family students. The established program includes a chance for all in attendance to interact and openly participate during the agenda.

If a student, parent, or guardian have any questions please feel free to contact me.

Thank you for your support of our students.

Go Trojans.
