

Good day everyone. This message is from Wood Memorial High School and Wood Memorial Junior High School Principal Kevin Smith. It is going out to the parents and guardians of students who will be entering their freshman year of high school in the fall of 2017.

While it is hard to believe the time has come to begin planning your child's high school career, it indeed has. In order to assist you in making those important decisions related to identifying your son or daughters 4 - Year Academic Path, Wood Memorial High School will be hosting a 2017 - 2018 Freshman Night on Thursday, February 16. During this event information will be provided that we believe will help you in the process of identifying the proper educational path for your child.

This information will include such items as:

Indiana state graduation requirements for Core 40, Academic Honors, and Technical Honors Diplomas

Course Offerings, including new curriculum for 2017 - 2018 such as the Conexus program, which focuses on skill set development in the area of Advanced Manufacturing and Logistics careers

A Sample 4 - Year Plan

A Sample Student Schedule, representing a freshman student

Extra - Curricular Opportunities for 2017 - 2018

Dual Credit and AP Opportunities

And Much More.

I would encourage everyone with a son or daughter entering their freshman year next fall to attend this session. The agenda will begin at 6:00pm and be conducted in the Wood Memorial Cafeteria.

Thank you for your time and support.

Have a wonderful day.
