Dear Wood Memorial High School and Wood Memorial Junior High School parents, guardians, and community:

Greetings from the home of the Trojans!

I am excited for the opportunity our school-community has to be a part of Sunrise School Spirit this fall. WFIE, Channel 14, will be on our campus Friday, September 8, 2017, to feature our students and staff. The program is planned for the high school football field, barring severe/inclement weather, beginning at 6:00am.

Everyone in our school-community is invited to take part in this program. Please join us as this is a wonderful opportunity to showcase our wonderful children and the special communities of East Gibson.

In order to assist those in need of transportation, Dr. Brewster has graciously developed a plan for the utilization of East Gibson school buses. For those needing a ride to Wood Memorial the following pick up locations have been established:

Francisco Elementary School

Barton Township Elementary School

The Oakland City Fire Station

Oakland City First Church of the Nazarene

City Hall, in Oakland City

The Nursing Home

Buses will pick up passengers at 5:15am on Friday, September 8, 2017.

A food drive has been launched in conjunction with Sunrise School Spirit. Non – perishable food donations may be made at Hometown IGA and/or Wood Memorial High School.

On Monday, August 21, 2017, Wood Memorial High School and Junior High School students will have the opportunity to take some time to observe the solar eclipse scheduled to occur. This opportunity may center on viewing live webstream coverage, or moving to an outdoor location on our campus. The instructors will be providing a lesson over the eclipse, as well as safety instructions prior to taking part in the respective activity.

For a student to view the eclipse from an outdoor location, if the instructor so chooses, a parent/guardian permission form must be signed and returned to the school. The forms were handed out on Wednesday, August 16, 2017.

Students and staff members taking part in an outdoors manner will be provided with viewing glasses that have been donated by Toyota Motor Company. The glasses have been certified as safe for use during the activity. I appreciate the work Toyota has done on behalf of our children, staff, and school-community.

Once again this year I will be utilizing a collaborative opportunity for all members – students, staff, parents, guardians, and community members – of the Wood Memorial School Community. With this said, I believe to be most effective with the development and growth of our students it is imperative that every stakeholder of Wood Memorial have an opportunity to collaborate and provide input in any area/aspect of interest involving our school (s) they may have. Thus, I will conduct monthly “Open Office” sessions, focused on providing time for such collaboration to occur.

I encourage you to come meet anytime to review items of interest you may have. You may schedule a meeting by calling 812.749.4757 and requesting a time.

The September “Open Office” session will be conducted on Tuesday, September 5, 2017.

In keeping with the theme of collaboration and communication I want to invite Wood Memorial stakeholders to follow the happenings at the junior high and high school by joining us on twitter at WMTrojans1.

Bell schedule adjustments made for the 2017 – 2018 school year includes the move of our Trojan Pride period. This period will be held following fourth period each day, with student lunches revolving around this time. The purpose of this change is to allow for a more structured agenda to be utilized, allowing for greater attention to be spent on such topics as character development, career preparation, tutoring, mentoring, academic work, and much, much more.

The student handbook for 2017 – 2018 will be issued in a digital format. Wood Memorial High School and Junior High School will be utilizing the Pinwheel/Eventlink resource for this purpose. Through this approach students, parents, staff, and school – community members will be able to receive real-time notifications, including our calendar of events (academic focused/athletic focused). Further, the use of this tool has allowed us to avoid an additional \$4.00 in costs.

Information on how to set up individual accounts will be coming soon. Once this is rolled out parents and students are encouraged to review the student – handbook to ensure alignment of expectations.

Our office hours will be from 7:30am – 4pm daily throughout the school year.

For the 2017 – 2018 school year Wood Memorial will be providing opportunities for our students in grades 8 – 10 to experience a college campus. This is a part of our focus to enhance opportunities around college and career readiness. The dates for the visits are as follows:

- 10th Graders – September 13, 2017 (Indiana University)
- 9th Graders – September 26, 2017 (Vincennes University)
- 8th Graders – October 3, 2017 (University of Southern Indiana)

Ms. Elizabeth Hill has done a great job of coordinating and scheduling the events.

Information of interest:

- The “Trojan Pride” period has been established to allow for students to have the opportunity to participate in a number of opportunities during the school day. These will include, but not be limited to:
 - Peer Mentoring
 - Peer Tutoring
 - Faculty Mentoring
 - Faculty Tutoring
 - Extra – Curricular Club Participation
 - Assignment Make – Up
 - Conflict Mediation
 - Additional Remediation
 - Character Development
 - Work Force Development
 - Staff Development
 - Response – To – Intervention
 - Continuous Improvement
- Student drivers are reminded they must purchase a parking tag in order to drive and maintain their vehicle on campus. The tags may be obtained from the high school office. The parking tag cost is \$2.00.
- Student drivers are reminded they may utilize the east parking lot when driving a vehicle to school. Please note that all drivers must adhere to guidelines for the safe operation of their vehicle while on, or near our campuses. These guidelines may be found in the 2017 – 2018 Student Handbook.
- There have been concerns expressed around student drivers carelessly driving at a fast speed down Roosevelt Street (which runs west past the football field) at the end of school. We care about your safety, as well as the safety of others. Please be smart and drive with the safety and well-being of all in mind. Student drivers are reminded they are not to use the North parking lot as a cut through when leaving school premises at the end of the day.
- For awareness, beginning after labor day the high school and junior high school will be utilizing an automated call option for students who are absent during first period. This is a tool that has been available for use through the School Messenger program for some

time. The calls will be placed at 9:00a.m. and are being put into place in an effort to enhance our attendance management process.

- For students enrolling in online college courses, through Ivy Tech, these will be opened for enrollment and launch on Monday, August 21, 2017.

Good luck to our fall sports teams, coaches, and athletes.

Thank you for all you do to support our students and the school – community.

Most Sincerely,

Kevin Smith
