Community Foundation Alliance Announces Regional Scholarship Opportunities

Scholarship opportunities are now available through the Community Scholarship programs of the Community Foundations of Gibson, Posey, Vanderburgh, and Warrick counties, regional partners in the Community Foundation Alliance.

Each county Community Scholarship program is made up of county-specific scholarship funds, each with individual selection criteria and eligibility requirements. These scholarships were created by donors to provide students within the 4 county region with opportunities for advanced education. All awards are made without regard to race, creed, color, sex, religion, or national origin. Application deadlines vary.

Applicants are required to submit their applications online. The available Community Scholarship opportunities for each county can be found at the webpages below:

The Gibson, Posey, Vanderburgh, and Warrick County Community Foundations, partners in the Community Foundation Alliance, are charitable resources devoted to their local communities, helping people make meaningful gifts that improve life in their counties today and for generations to come. The Foundations are each made up of a collection of endowed funds — such as scholarship funds — established by donors focused on charitable endeavors.
