Dear Wood Memorial High School and Wood Memorial Junior High School parents, guardians, and community:

Greetings from the home of the Trojans!

I hope this finds everyone doing well, after a wonderful Christmas and New Year's holiday season. The second semester is off and rolling at Wood Memorial.

First semester grades are to be posted by no later than noon on Friday, January 5, 2018, with report cards being issued on Tuesday, January 9, 2018, during period 7. Individuals with questions may contact the respective instructor.

The Winter ECA Re-test results were received on Thursday, January 4, 2018. A total of seven (7) students participated in the English 10 retest, with four (4) successfully passing. This is a 57% success rate. For the Algebra 1 retest there were three (3) students participating, and while we had no – one pass the math exam, there were two students very close to meeting the minimum score required.

I am pleased with the overall results from the winter end – of – course assessment retest as nearly every student that participated showed improvement from previous results. The ECA exam is nearing its' phase out period, after being replaced by the ISTEP+ graduation exam.

PSAT results from the fall of 2017 have been received and have been distributed to students. Anyone with questions around the interpretation of the information may contact Ms. Hill or Ms. Carlton, in the student services department.

Wood Memorial's sophomore students taking the exam, had 38% of students attain both benchmarks, for math and English, as compared to 36% of Indiana students statewide.

For individuals visiting our high school and/or our junior high school, you must report directly to the respective office in order to be authorized to enter the facility. Visitors are required to sign in and be given an authorization card for access to the high school and/or the junior high school. All individuals must be escorted through the facility. Anyone entering our facility must do so through the main high school and main junior high school entrance, the breezeway entrance may not be used.

Thank you for your understanding and cooperation.

NOTES from STAFF and/or THE SCHOOL COMMUNITY

From Mr. Steve Kilian, Administrative Assistant/Athletic Director

IHSAA Student-Athlete Tip of the Week (12-11-17)

"Promoting education based athletics in Indiana"

Popular television star Chip Gaines from the show Fixer Upper was quoted in People Magazine as saying, "I'd rather be missed than the idea of someone tiring of me." This has been his philosophy in life.

This quote might be a good way for a student-athlete to have a teacher or coach view his/her time spent in the classroom and on the court or field of play.

In other words, you want to make the type of impact on your classmates and teammates that leaves a long and lasting positive impression – not one where people tire of you and want you to go away.

Think about your actions on and off the field. Make the right choices and leave your school with a legacy you will be proud of.
